Our Complete Package Options

At Oakwood Smokehouse & Grill, we are highly skilled at providing food for any type of “get-together”. Whether you are feeding guests in your home, neighborhood or office, our per-person-pricing includes everything you need for a memorable BBQ experience. We provide everything from plates, napkins and silverware, to BBQ sauces, serving utensils, dinner rolls & wet naps.

Just follow these four simple steps when speaking to the manager on duty at any of our locations:

1. Select the meats you would like served.
2. Select the side-items that you would like served.
3. Tell us the number of guests that you will be serving.
4. Tell us the date and time you would like to pick up your food or have it delivered to your home or office event.

We will do all of the portion calculations and take care of all of the work from there for one low per-person-price. Our goal in catering, as it is in all of our restaurant locations, is to provide high quality food at a great price. Your guests will love Oakwood Catering.
